

STOL Pilots,

Attached is this year's Questionnaire for the EAA Air Venture Twilight Flight Fest STOL Invitational to be held 8 pm., at the Ultralight Field (Fun Fly Zone), Monday, July 22; Tuesday, July 23; Thursday, July 25 & Friday, July 26th. EAA will select twelve participants based on flying skills and types of aircraft.

Please provide the following:

Fill out 2024 EAA Invitational STOL Questionnaire. Please elaborate on the questionnaire as much as possible. This will help the announcer provide information about you and your aircraft.

EAA has graciously provided the STOL pilots accommodations and several vehicles for the pilots to share. You may either camp with your plane, in Camp Scholler or book a hotel room. You will also be provided admission for the week.

If you choose a hotel room EAA provides one day before and through the evening of your last performance (July 21-July 27 noon, check out). If additional days are requested EAA will require credit card payment. **If you book a room and don't use it you will be charged.**

If you choose to camp with your aircraft or in Camp Scholler the camping credentials are for the entire week of AirVenture.

Email the completed Questionnaire to: kknapp@alarmspro.com.
